

Daily Devotionals: Adopting Children | July 25, 2021

Welcome to Week 2 of Sons and Daughters content! For this week, your goal is simple—but significant. Our goal this week is reflection + scripture + prayer. Each day you have a passage or verse(s) to read, a question to answer, and a prayer prompt.

Spend ~15 minutes each day in the scripture, the questions, and in prayer. (You might even allow Deuteronomy to prompt your prayers!)

Day 1

Scripture: Read Deuteronomy 6:1-25.

Question: Who are the people that helped point you to Jesus as a kid?

Prayer: Pray that kids and parents would fall in love with Jesus now and forever.

Day 2

Scripture: Read Jeremiah 1:4-5 and Isaiah 49:1b.

Question: What does God want children (and us) to know about what he thinks of them?

Prayer: Pray that kids and parents would know they're known, valued, and loved by God and their church family.

Day 3

Scripture: Read Romans 8:18-23.

Question: Where have you experienced God bring restoration to your own family?

Prayer: Pray for broken families in our church and community—that things might be redeemed and restored.

Day 4

Scripture: Read Ephesians 6:4 and Galatians 5:22.

Question: How can you help your own kids and/or kids in our church love the Lord?

Prayer: Pray for parents/foster parents to raise their children well and with the fruit of the Spirit.

Day 5

Scripture: Read John 14:18 and James 1:27.

Question: How can you provide a safe place (physically, emotionally, mentally) for kids in our church and in our community?

Prayer: Pray for kids without families, that they might find homes.

Additional Resources:

1. Join us Sunday, August 1 at 6pm for a panel discussion at The Creek – Franklin Road. Bring your spouse, your life group, and your questions as we hear from parents from different stages of life and glean their godly wisdom about how to raise kids well!
2. Check out the Parent Cue app. This is an app that is intended to help equip moms and dads to raise their kiddos to love Jesus! Search for it in the Android or Apple store.
